

Endow Kentucky Tax Credit Program

\$1,000,000 In Tax Credits Are Available July 1!

WHAT IS ENDOW KENTUCKY?

The Endow Kentucky Tax Credit Program offers you a unique opportunity to receive a state tax credit toward your Kentucky Income Tax after making a contribution to permanent endowment funds at qualified community foundations. Endowment funds are for those who want to give today and long into the future. These funds are held in perpetuity and produce an annual payout.

A total of \$1,000,000 is available to taxpayers, individual and corporations, through the Endow Kentucky Tax Credit Program. You are eligible to receive up to a 20% income tax credit (not to exceed \$10,000) per taxable year. **A new allotment of tax credits is available on July 1 each year.**

IMPACT OF THE TAX CREDIT

To determine the personal impact of receiving your tax credit, you should consult your financial advisor or accountant. Any tax credit that cannot be used in the current tax year may be carried forward for five years. This is a tax credit, not a deduction. A tax credit lowers your tax bill dollar for dollar regardless of your tax bracket.
