What is Mentors & Meals?

- 501(c)3, Non-Profit, After School Program working with Woodford County schools.

- Designed specifically for 6th - 8th grade students.

- Goal: “Enhance academic achievement in middle school students through mentoring”.

Mentors & Meals Summer Meet-Ups is a program designed to keep middle school students actively engaged in reading and math activities during the summer months, while providing a safe and nurturing environment.

- The summer program prevents summer learning loss that can affect academically or financially at-risk populations.
When does M&Ms Summer Meet-Ups Meet?

- Tuesday-Thursday during the Summer months of June and July 2022. The Meet-Ups will provide activities for students from 12:00-5:15 p.m.

- M&Ms will partner with the Woodford County Public Library Teen Program combining resources to work together to serve the Woodford County youth.
Desired Outcomes of The Summer Meet-Ups Program

- Partner with Woodford County organizations that serve the middle school youth.
Desired Outcomes of The Summer Meet-Ups Program

- Keep middle school students safe and prevent summer learning loss in June and July when students might be alone while parents are at work.
Desired Outcomes of The Summer Meet-Ups Program

- **STEM** - Improve math skills utilizing “If I Had A Hammer” program and evaluate with pre- and post-test.
- **Reading** - Improve literacy and comprehension in an enjoyable way through a “Book Club” environment.
