## Community and Special Interest Funds

Blue Grass Community Foundation's greatest impact comes through awarding grants from funds focused on a local community or specified objectives. By pooling the resources of many, these funds can catalyze change and fund innovative solutions to the region's most challenging problems and interesting opportunities.

These funds are served by local boards that best understand community needs. These funds provide the flexibility needed to address the critical issues of today and for many generations to come.

## Scholarship Funds

The Community Foundation manages scholarship funds to assist high school seniors, as well as undergraduate and graduate students. Contact us for more information about our funds or to establish your own fund.

## Add to this List!

As an individual donor, you can establish a charitable fund to support the causes you care about. You can also encourage your favorite nonprofits to invest in their futures by creating their own endowment funds at the Community Foundation. Please contact us to learn more.

## Endow Kentucky Tax Credits

The Endow Kentucky tax credit program was established by the Kentucky legislature in 2010 to increase current giving to endowment funds held at certified community foundations. Donors who contribute to endowment funds at qualifying community foundations can receive a tax credit of up to 20 percent of the value of their gift. The pool of tax credits opens on July 1 each year. Please contact us to learn more and to complete a preliminary tax credit application.

Blue Grass Community Foundation is a public charity established by local citizens in 1967 to promote giving and improve the quality of life in Lexington and the many communities we serve across Central and Appalachia Kentucky. The Community Foundation is a starting place for people who have always wanted to give and those who never knew they could.

By joining with us, your involvement can lead to a more generous, vibrant and engaged community.
